There are good supermarkets, including Waitrose and numerous small businesses in the town. Buses link the surrounding towns and villages and the town's railway station also provides a direct line into Norwich, Ely and Cambridge, with London commutable in around 2 hours.

The Property

The bungalow offers well-proportioned accommodation with a practical layout suited to a variety of buyers. An entrance porch opens into the central hallway, providing access to the principal rooms. The kitchen is conveniently positioned, whilst the particularly spacious lounge/dining room forms the heart of the home, offering generous space for both relaxation and entertaining, with direct access to the rear garden. Three good-sized bedrooms provide comfortable and versatile accommodation, with the option to use one as a study or hobby room if required. A family bathroom completes the layout, making this an appealing home for those seeking the convenience of single-storey living.

Outside

The property enjoys the benefit of a wraparound garden, with generous areas of lawn extending across both the front and rear, creating an attractive setting with plenty of scope for gardening and outdoor enjoyment. A pathway leads through the front garden to the main entrance, whilst the rear garden offers further space to relax and enjoy the surroundings. A wall and gate to the rear provide access through to the brick-built garage, adding a practical element to the outside space.
