RINGWOOD, BH24 3DU

Guide price £500,000

Upon entering, a welcoming hallway with attractive wood-effect flooring creates an immediate sense of space and flow. To the front of the property, the sitting room provides a cosy retreat, featuring a charming wood-burning stove set beneath an oak mantel, creating a warm focal point for relaxing evenings.

To the rear, the heart of the home is the impressive open-plan kitchen and family room. Designed with both entertaining and everyday living in mind, the kitchen features sleek handleless cabinetry, wood-effect worktops, space for a range-style cooker and an American-style fridge freezer. The room opens into a bright seating area beneath skylights, with French doors leading directly onto the garden, creating a seamless connection between inside and out. A separate utility room adds further practicality, offering additional storage, appliance space, a sink and a useful shower cubicle. The first floor provides three well-proportioned bedrooms. The principal bedroom enjoys a pleasant front aspect, whilst the second bedroom overlooks the rear garden and benefits from built-in storage. A third bedroom offers flexibility for use as a nursery, guest bedroom or home office. Completing the accommodation is a stylish family bathroom fitted with a modern suite, bath with shower over, contemporary fittings and useful storage.

Outside, the South-West-facing garden enjoys sunshine throughout the day and has been thoughtfully arranged to provide several areas for relaxation and entertaining. A circular patio creates the perfect setting for outdoor dining, whilst a further seating area beneath a pergola offers a peaceful spot to unwind. Established planting borders the lawn, providing privacy and an attractive backdrop throughout the seasons.

A particular highlight is the substantial timber chalet situated in the far corner of the garden. With power, lighting, internet provision and air conditioning, it provides an excellent home office, studio or hobbies room, ideal for year-round use.

To the front, the property is equally impressive, featuring a lawned garden, mature tree, block-paved driveway and garage.

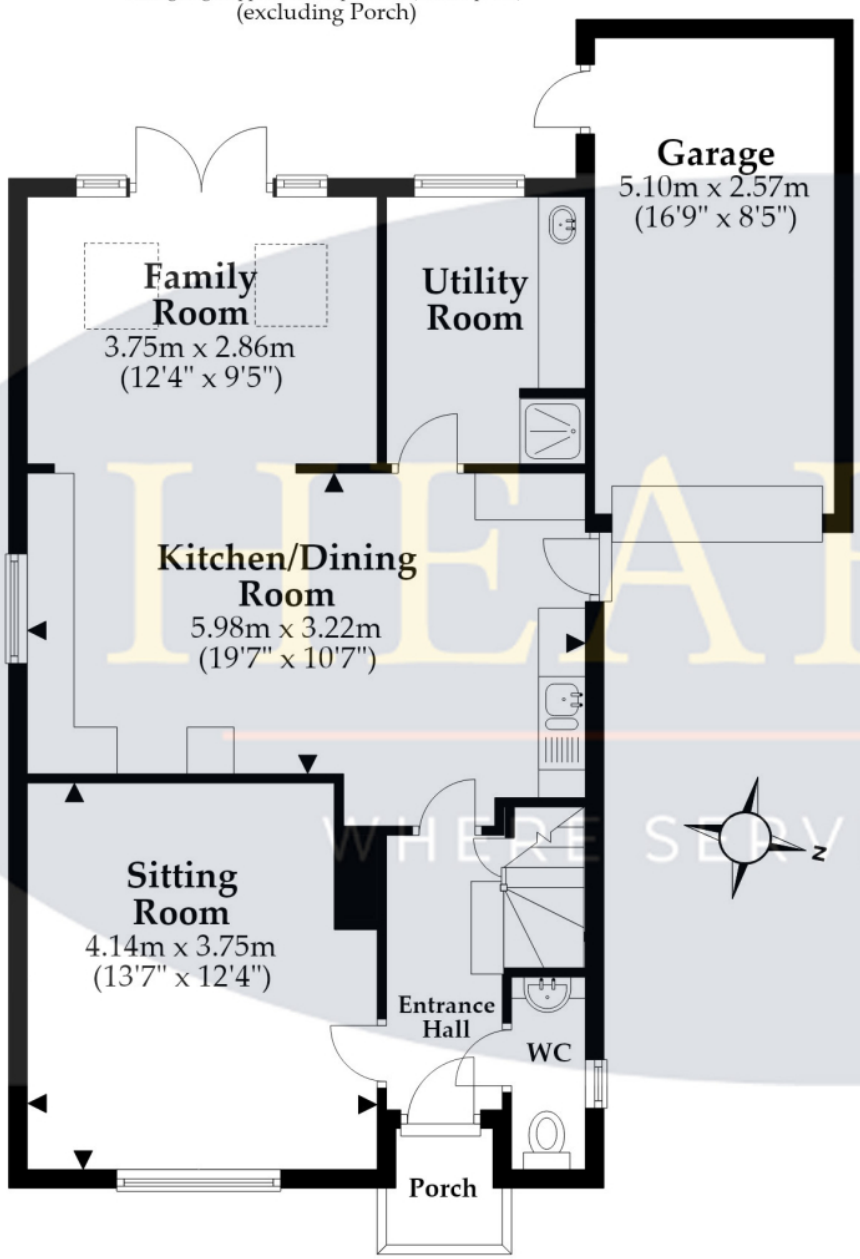

Ground Floor
