The Blackwater is a spacious and beautifully designed four-bedroom detached home, offering the ideal blend of contemporary style and practical family living.

At the heart of the home is a generous open-plan kitchen and dining area, perfect for both everyday life and entertaining, with French doors opening onto the rear garden to create a light-filled and sociable space. A bright and spacious separate living room provides a comfortable place to relax, while a dedicated study offers the ideal setting for home working. A useful utility room, downstairs WC and additional storage further enhance the practicality of the ground floor.

The first floor offers a well-balanced and thoughtfully designed layout, ideal for modern family living. A central landing leads to four generously proportioned bedrooms, creating a sense of space and separation.

The principal bedroom enjoys the added luxury of a private en suite shower room, providing a peaceful retreat. Three further bedrooms offer flexibility for growing families, guest accommodation, or home office space, all served by a contemporary family bathroom.

Designed with practicality in mind, the layout ensures ease of movement throughout, with the staircase centrally positioned and all rooms conveniently accessed from the landing.
