On the ground floor, a spacious reception hallway gives access to the kitchen / diner and drawing room with an attractive wood twist staircase ascending to the first floor. The charming drawing room is full of character, fitted in the style of a captain's cabin with heavy oak pillars, a cast iron fireplace and wooden shutters to the dual aspect windows at the front and rear. The kitchen boasts a range of bespoke solid wood eye level and base units and contrasting granite worktop surfaces. Perfectly in keeping with the cottage decor is an electric Aga and Belfast sink with space for additional kitchen appliances. The kitchen naturally flows into the dining area with ample space for a large dining table. Also, on the ground floor is a marble lined shower room with low-level WC, pedestal wash hand basin, walk-in shower and airing cupboard. A garden room completes the accommodation on the ground floor and provides access to the courtyard garden.

On the first floor, in the main area of the cottage are three double bedrooms, all with cast iron fireplaces, along with a very spacious bathroom comprising panelled bath, WC, pedestal wash hand basin and separate shower cubicle. Naturally, all of these rooms being elegantly decorated. An annexe area, above the garage, provides another large double bedroom with fitted wardrobes with easy access to the marble ground floor shower room. Within the loft, on the second floor, are two loft rooms, serviced by a shower room and with the added benefit of a hot room.

Externally, Emmies Cottage is situated in a beautiful semi-rural setting. The walled courtyard garden, accessed via the garden room is paved with planted borders and an ornamental pond. To the side of the property is a garage with double opening doors. This area has an 'outdoor' shower to wash down after enjoying a day at one of the beautiful beaches nearby. This is also where a utility area with washing machine, tumble dryer and boiler is housed. There is also a separate storage room off the garage
