Arundel Gate is a prestigious development of 90 beautifully designed two, three, four and five-bedroom homes, set in a desirable position on the edge of the historic market town of Arundel. Combining traditional design with contemporary living, each home has been thoughtfully crafted with quality, sustainability and attention to detail in mind. The development is surrounded by landscaped green spaces, mature woodland and eco-habitats, creating a peaceful setting while remaining within easy reach of the town's amenities. With the River Arun, countryside and South Downs National Park close by, Arundel Gate offers an enviable balance of modern family living and access to the great outdoors.

Steeped in more than a thousand years of history, Arundel is a picturesque town with a distinctive character, where medieval, Georgian and Victorian architecture sits alongside independent shops, cafés, bistros, restaurants and galleries. The magnificent Arundel Castle and Catholic Cathedral provide an impressive backdrop, while the River Arun, Swanbourne Lake and surrounding ancient woodland offer wonderful opportunities for walking, cycling and enjoying nature. The Arundel Wetlands Centre is also nearby, while the South Downs Way provides miles of scenic countryside to explore. With well-regarded schools, everyday amenities and a lively programme of cultural and community events, Arundel offers a charming setting with plenty to see and do throughout the year.

Chichester is just over 12 miles away, offering excellent shopping, leisure and cultural amenities, while the Sussex coast and beaches at Littlehampton and Climping are also within easy reach. Arundel railway station is approximately 1.4 miles away, with regular services to London Victoria via Gatwick Airport, London Bridge and Bognor Regis. The A27 provides convenient road links to Chichester, Portsmouth and Worthing, with Brighton and Gatwick Airport also readily accessible.
