SELLER'S SECRET

Since purchasing the property in 2023, we have undertaken a number of improvements to enhance the home throughout, creating a fresh, modern and well-maintained living environment. These include a complete re-wire, new flat roofs, new radiators, a re-fitted kitchen and shower room, as well as redecoration throughout and new flooring and carpets. We have invested considerable time and care into updating the property, ensuring it feels comfortable, contemporary and ready for its next owners to enjoy.

Why we like it....

One of the property's most impressive features is the exceptional standard of presentation throughout, complemented by a particularly generous lounge that creates a wonderful space for both relaxing and entertaining.
