Set on the edge of the development with no passing traffic, this high-quality detached bungalow was built in 2019 and offers approximately 1,668 sq. ft. of flexible accommodation, ideally suited to downsizers or buyers looking to future-proof their next move. Recently redecorated with new carpets throughout, the property is ready to move straight into.

The ground floor provides well-planned living with bedrooms and a shower room, together with a well-equipped kitchen and a light-filled lounge opening directly onto the rear garden. Upstairs, a further bedroom and bathroom provide useful additional accommodation for guests, family or hobbies.

Outside, the property benefits from a generous west-facing rear garden measuring approximately 70ft, along with parking for two vehicles directly outside the bungalow.

The location is equally appealing, offering level walking access to Buntingford High Street and local amenities. Buntingford is a popular market town and the smallest town in Hertfordshire, combining a strong sense of community with excellent everyday convenience.
