ABOUT A DALTON HOME
A wonderfully designed, three-bedroom home, The Dalton is a perfect proposition for first time buyers, those with a growing family or for anyone who wishes to enjoy a spacious, well designed home. The large living space makes for the perfect family room, and it’s easy to picture yourself spending evenings together with family and friends. The living space leads through to the large kitchen / dining area, an ideal place to cook and spend mealtimes together – or take your evening drinks into your garden, with direct access through the charming French doors. The addition of a convenient downstairs cloakroom and under stairs storage means you’re unlikely to need to go upstairs until the day is over.

Upstairs, The Dalton doesn’t disappoint, with a family bathroom and two bedrooms at the back of the home. The master bedroom – situated at the front, complete with ensuite – is a perfect place to relax after a busy day.

PLEASE NOTE
Some images are taken from a slightly different house type style to show you the closest resemblance to the house type you are currently viewing, due to us not having a show home of every house type. Please consult with the Beal Homes sales team for further information
