9 High Road

Salisbury, SP5 4DS

£410,000

A charming and characterful semi detached home in excellent order throughout offering a blend of modern fixtures and practicalities with character, 9 High Road has been extended and extensively modernised by its current owners and has to be viewed internally to be appreciated. The house sits on a generous plot with a particularly long rear garden enjoying beautiful far reaching countryside views. The accommodation comprises entrance porch, sitting room, study/playroom, outstanding 5.85m x 4.85m kitchen/living space overlooking the rear garden, three double bedrooms and two bathrooms. Outside 9 High Road has a private driveway for 2-3 vehicles with scope to build a garage (subject to consent), the rear garden is a very generous space with an extensive level of planting. The seller has also constructed a lovely covered seating area which also acts as an outside kitchen. The location creates a fantastic balance between convenience for Salisbury city and District Hospital with countryside living. Country walks are literally on your doorstep yet the city is minutes away.

Proceed to the A338 Downton Road from Salisbury following the road as it leaves the city. Pass the Park and Ride and after a short time follow the High Road where number nine can be found on your left.

To the front of the house is a small graveled area with raised planter. To one side is the graveled private driveway which provides parking for 2-3 cars and is enclosed by a block wall. Gate to the rear garden. The rear garden and views are one of the main stand out features of this property and can only truly be appreciated in person. Directly outside the kitchen is an extensive graveled seating area with outside tap and light. Beyond is the first section of lawn with extensive planting to either side, further graveled area providing access to original brick built potting shed and:

Substantial construction with decked flooring, power and light with built in storage/work surface area. To the rear is a further smaller seating/storage area.

The garden continues with a further area of lawn with an extensive range of planting to either side. The end of the garden enjoys the best of the views over the Water Meadows and countryside beyond, a perfect spot for table and chairs.

A map snippet from Google Maps showing the location of Salisbury District Hospital. The hospital is marked with a red pin and labeled 'Salisbury District Hospital' in red text. It is situated in the area of Britford, near the junction of Downton Rd and Odstock Rd. The map shows green fields, blue roads, and a small body of water. The Google logo is visible in the bottom left corner, and 'Map data ©2026 Google' is in the bottom right corner.

GROUND FLOOR

The ground floor plan shows a rectangular building with a small porch at the bottom. The layout includes a study with a staircase labeled 'UP' on the left, a large sitting room on the right, and a kitchen at the top. A bathroom is located in the top right corner. The kitchen and sitting room are shaded in light grey.

1ST FLOOR

The first floor plan shows a rectangular building with a central landing. The layout includes three bedrooms (Bedroom 1, Bedroom 2, and Bedroom 3) and a bathroom. A wardrobe is located between Bedroom 1 and Bedroom 2. The landing has a staircase labeled 'DOWN' leading to the ground floor.
