THE PROPERTY

78-82 Christchurch Road form part of an attractive terrace and benefit from full planning permission and Listed Building consent for the creation of two residential dwellings, whilst retaining commercial use of the ground floors of 78-80, presenting an appealing, mixed-use development opportunity.

Full planning permission and Listed Building Consent were granted on 28 March 2025, under planning references 24/10739 and 24/10740. The approved plans and associated documentation can be viewed via the New Forest District Council planning portal. The approved scheme provides for the creation of a one-bedroom dwelling arranged over three floors, comprising a reception room and WC on the ground floor, a kitchen/dining room on the first floor, and a bedroom and shower room on the second floor. In addition, the proposals include a two-bedroom maisonette, with a sitting room, dining room and kitchen on the first floor, and two bedrooms and a shower room on the second floor. The scheme also retains a ground-floor commercial unit with cellar accommodation, providing an attractive opportunity to combine residential and commercial uses within the development.

Four parking spaces are situated to the rear of the properties and are available by way of a separate lease.

SITUATION

The properties are prominently situated on Christchurch Road, within the historic market town of Ringwood, on the western edge of the New Forest National Park. Ringwood offers an excellent range of amenities, including independent shops, cafés, restaurants, public houses and supermarkets, together with The Furlong Shopping Centre and a traditional weekly market.

The town enjoys excellent road communications, with the nearby A31 providing access to Southampton and the M27/M3 motorway networks, whilst the A338 offers convenient connections to Bournemouth and Salisbury. The coastal towns of Bournemouth and Christchurch are also readily accessible, providing a wider range of shopping, leisure and recreational facilities.

Regular bus services operate from Ringwood to Bournemouth, Poole and Salisbury, whilst mainline railway services are available from nearby Bournemouth and Christchurch, providing connections to Southampton and London Waterloo. Bournemouth International Airport is also within convenient driving distance.

The property's location offers an attractive balance of town centre convenience, excellent transport connections and proximity to the New Forest National Park and the south coast, making it a desirable setting for both commercial and residential occupiers.

LEGAL AND INFORMATION PACK

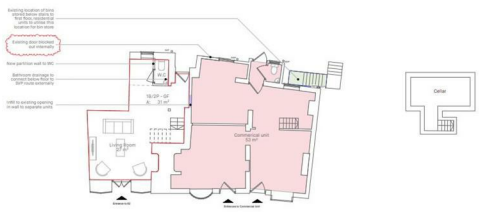

A full legal pack can be purchased online. Please telephone the office below to check availability.

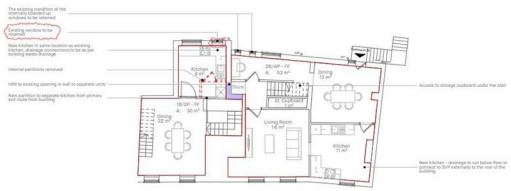

We strongly recommend you instruct a solicitor to inspect the legal pack on your behalf.

* Guides are provided as an indication of each seller's minimum expectation. They are not necessarily figures which a property will sell for and may change at any time prior to the auction. Each property will be offered subject to a Reserve (a figure below which the Auctioneer cannot sell the property during the auction). The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

Additional Fees

- The successful purchaser will be required to pay the Auctioneers a Purchaser's Administration Fee of £1,980 (£1,650 plus VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £960 (£800 plus VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction.
- In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.
- Disbursements – Please see the legal pack for any disbursements listed that may become payable by the purchaser.

Important Notice: Symonds & Sampson LLP and their clients give notice that they have no authority to make or give any representations or warranties regarding the property. These particulars do not form part of any offer or contract and must not be relied upon as statements of fact. Some descriptions and images may have been AI-assisted; while reviewed for accuracy, interested parties should verify key details through inspection or by contacting our agents.
All measurements and distances are approximate. Text, photographs, and plans are for guidance only and may not be comprehensive. It should not be assumed that the property has all necessary planning or regulatory consents, and no services, equipment, or facilities have been tested. No investigations have been made into pollution or contamination; purchasers must make their own enquiries. The property is sold subject to all existing wayleaves, easements, and rights of way (public or private), whether mentioned or not. Vendors are not required to define such rights.

AUCTION NOTES

Prospective buyers are strongly advised to take note of the advice and information given in these important notes. IMPORTANT NOTICE - Symonds & Sampson LLP and their Clients give notice that:

1. They have no authority to make or give any representations or warranties in relation to the property. The particulars do not form part of any offer or contract and must not be relied upon as statements or representations of fact.

2. Any areas, measurements, or distances are approximate. The text, photographs and plans are for guidance only and are not necessarily comprehensive. It should not be assumed that the properties have all necessary Planning, Building Regulation or other consents, and Symonds & Sampson LLP have not tested any services, equipment or facilities. Purchasers must satisfy themselves by inspection or otherwise.

3. This catalogue contains details about properties being sold at auction. The vendors reserve the right to sell their properties prior to auction and these details can be subject to change up to and including the day of the auction. Please check our website regularly at: www.symondsandsampson.co.uk and look out for any additional materials available on the day of the auction, in order to ensure you have all the up to date information.

Plans and Measurements - All room sizes, site measurements and distances are approximate and may have been scaled from architects, Land Registry or Ordnance Survey plans. They are there to assist buyers in identifying the lots offered and not guaranteed to be to scale or to indicate the full extent of the property being offered. Buyers are advised to view the Special Conditions and full legal documentation in respect of the precise interest to be sold.

Each lot will be sold in accordance with the title documentation as the location plans shown in the catalogue are for identification purposes only. Interested applicants should make their own site inspections and investigations with regard to the accuracy of all measurements given in the catalogue.

VAT - Prospective buyers should satisfy themselves as to whether VAT is chargeable on the price prior to the auction from the seller's solicitors.

Tenure - Freehold and vacant possession will be given on completion unless otherwise stated.

The Guide Price is an indication of the seller's current minimum acceptable price at auction. It is given to assist consumers in deciding whether or not to pursue a purchase.

It is usual, but not always the case that a provisional reserve range is agreed between the seller and the auctioneer at the start of marketing. As the reserve is not fixed at this stage and can be adjusted by the seller at any time up to the day of the auction in the light of interest shown during the marketing period, a guide price is issued.

A guide price is different to a reserve price (see below). Both the guide price and the reserve price can be subject to change up to and including the day of the auction.

The Reserve Price is the seller's minimum acceptable price at auction and the figure below which the auctioneer cannot sell. The reserve price is not disclosed and remains confidential between the seller and the auctioneer. Both the guide price and the reserve price can be subject to change up to and including the day of the auction. The 'Reserve Price' may exceed the 'Guide Price' listed. If so, it is customary for the 'Reserve Price' to exceed the guide price by no more than 10%.

Purchaser's Administration Fee

The successful purchaser will be required to pay to the Auctioneers a Purchaser's Administration Fee of £1,980 (including VAT) payable to Symonds & Sampson. For purchases of £50,000 or less the Administration fee will be £960 (including VAT). If two or more lots are offered together in the first instance, or lots are purchased under one contract, the administration fee will apply per lot and not per contract. The charge will apply to lots bought prior to and post auction. In the event of non-payment or underpayment a deduction will be made from the deposit received. A VAT receipt will be issued in the name of the buyer.

Disbursements

Please see the legal pack for any disbursements listed that may become payable by the purchaser on completion.

It is advisable to wear appropriate footwear and clothing as some buildings, particularly those for refurbishment, may have uneven floors or missing floorboards. It may, in some cases, be advisable to bring a torch as electricity is not serviceable for safety reasons.

We do not guarantee to attend viewings where appointments have not been confirmed.

Professional Advice - We strongly recommend that all prospective buyers take independent legal and where appropriate other professional advice.

Legal Documents - All legal documents supplied to us, including Special Conditions of Sale, title details, leases, searches, planning permissions and plans, will be available for inspection prior to the auction. Whether you wish to bid online, by telephone, by proxy or in the room, please register online via the link on our website www.symondsandsampson.co.uk/auctions/property-auctions or you can complete the form at the back of this catalogue and send via email to auctions@symondsandsampson.co.uk. You will be required to provide copies of proof of identification and proof of address as part of the registration process and will not be authorised to bid without these.

Telephone bidding

We have a limited number of telephone bidding facilities available on most lots, but we must have completed paperwork at least 24 hours before the auction day. We cannot guarantee that every request to bid by telephone will be possible.

Proxy Bidding

We strongly recommend registering to bid online but when this is not possible, you may make a proxy bid authorising the Auctioneer to bid on your behalf up to a pre-set limit. This must be by prior arrangement at no later than 24 hours prior to the auction. Bidding forms must be received not less than 24 hours prior to the start of the auction to ensure that there is time for the bid to be processed. We cannot guarantee to process bidding forms which are received later than 24 hours before or on the morning of the auction.

AUCTION TERMS AND CONDITIONS

1. Intending purchasers must complete bidder registration via Auction Passport or fill in the appropriate bidding form ensuring that all sections are completed. Failure to complete any part of the appropriate form may render the instructions ineffective or result in your registration not being approved. Verification of identity checks must be undertaken by all bidders prior to auction. You will be required to carry out a check using Credas which requires photographic ID and proof of address. A record of the check will be retained. No responsibility is taken by the auctioneers for unprocessed registrations received later than 24 hours prior to the auction.

2. Maximum bids for proxy or telephone bidders must be for an exact figure, rounded to the nearest £1,000, and any reference to a bid to be calculated by reference to other bids will not be acceptable. In the event of there being any confusion as to the maximum bid, the auctioneer reserves the right to refuse a bid on behalf of the prospective bidder.

3. All bidders registered via Auction Passport must authorise a £10,000 hold on a debit card as part of the registration. Those submitting bidding forms will be required to provide card details for security. If you are successful, the £10,000 hold will be deducted from your account and put towards the 10% deposit. If you are unsuccessful, the hold on your card will usually be removed within 5 working days. When the 10% deposit is taken, you will also be required to pay a Buyer's Administration Fee of £1,980 (£1,650 + VAT). In some cases, this figure may be higher and if so will be stated in the addendum. For lots with a purchase price below £50,000, the Buyer's Administration Fee will be £960 (£800+VAT). Payments can be made either by BACS or debit card and must be made on the day of the auction. The Buyer's Administration Fee is payable on lots sold at auction, post auction and prior to auction. If the successful bidder fails to provide the required deposit and buyers administration charge, then Symonds & Sampson LLP and/or their seller reserves its rights to pursue the winning bidder via all legal means necessary for the deposit and the buyers administration charge and any associated losses and interest as applicable.

4. The auctioneer, in accepting remote bids, acts as agent for the prospective bidder/purchaser who shall be considered to have authorised the auctioneer on the basis of all relevant conditions of sale and any amendments to the auction particulars. In the event of the prospective purchaser's bid being successful, the auctioneer or any duly authorised partner or employee of Symonds & Sampson LLP is authorised by the bidder and purchaser to sign any Memorandum of Sale or Sale Contract relating to the property concerned incorporating any addendum.

5. The auctioneer accepts no liability for any bid not being made on behalf of the prospective purchaser and reserves the right to bid himself or through an agent up to the reserve price for the particular property concerned.

6. In the event of a bidding dispute, the auctioneer reserves the right to re-offer the lot.

7. In the event that another bidder makes a bid equal to the maximum bid the remote bidder is prepared to make, the auctioneer reserves the right to accept either bid at their own discretion.

8. The auctioneer accepts no responsibility for failure of telecommunications or internet connections in respect of a telephone or internet bid, or any delays in the postal system if a bidding form is sent through the post.

9. Prospective bidders should check with the auctioneer's office immediately prior to the auction to ensure there are no changes to the published terms and conditions.

10. The auctioneer will accept no liability whatsoever for any bid not being made on behalf of the prospective buyer as a result of: Lack of clarity of instructions, Error, lack of clarity or confusion regarding the bidder's registration or the deposit, prospective buyers become disconnected during bidding or are unobtainable, interruption or suspension of telephone or internet services or for any other reason whatsoever beyond the control of the auctioneer.

11. Successful proxy bids will be notified to the prospective buyer within 24 hours of the conclusion of the auction sale. Any alteration to the submitted bid or withdrawal must be received and confirmed in writing by the auctioneer prior to commencement of the auction. Proxy bidders are advised to telephone the Auctioneer's offices before 10am on the day of the sale in order to find out whether any addenda apply to the property for which they have authorised the Auctioneer to bid on their behalf. If we receive two proxy bids at the same level, both bidders will be notified and given the opportunity to adjust their bid.
