Property Description

This attractive traditional bay-fronted three-bedroom detached home offers a rare opportunity to acquire a property coming to the open market for the first time in its history, having been cherished by the same family since new. Occupying an elevated position, set back from the road, the property offers excellent potential for a new owner to modernise and personalise whilst retaining the character and proportions of the original home. Offered for sale with no upward chain, the property also provides the benefit of a straightforward and potentially less complicated buying process. The well-proportioned accommodation briefly comprises; an entrance hall, two generously sized reception rooms, including a bay-fronted living room, together with a fitted kitchen. To the first floor are three bedrooms and a shower room. The property has considerable scope for modernisation, providing an exciting opportunity for purchasers to create a home to their own tastes and requirements. Externally, the property is particularly well served for parking, with a gated driveway providing multiple vehicle off-road parking, together with a useful car port and garage.
