From here an archway leads through to the separate dining area with double sliding doors leading out onto the rear garden. To the left of the dining area and door leads through to the modern fitted kitchen/breakfast room with matching base and wall mounted units, solid wood worktops, range cooker with extra fan above, windows overlooking the rear garden and space for kitchen table and chairs. To the rear of the kitchen a door leads through to separate lobby with door to rear garden and door to integral garage and access to ground floor WC. A good-sized family room to the left of the entrance porch completes the ground floor accommodation.

To the first floor, there are four bedrooms with en-suite facilities to the principal bedroom along with a fitted family bathroom to service the remaining bedrooms.

OUTSIDE

The property is accessed via good sized gravel driveway with access to the integral double garage with light and power and roller garage door and personal door to rear leading into the property.

To the rear of the property there is a well maintained landscaped south facing garden mainly laid to lawn with established well screened borders and flower beds and raised decked sun terrace. There is side access with space for log and tool storage as well as outside tap and power points.
