The Main Text

Household Income to be considered for referencing: £39,000+

A well-presented and deceptively spacious three-bedroom terraced property, offering modern accommodation across two floors and available to let.

The property has been finished in a fresh, neutral style throughout, making it an attractive and practical home for a range of prospective contract-holders.

The ground floor opens into an entrance hallway which leads through to the impressive open-plan living and dining room. This is a particularly generous and versatile space, benefiting from two front-facing windows which provide plenty of natural light and allow ample room for both lounge and dining furniture.

To the rear is the modern fitted kitchen, finished with attractive sage green shaker-style units, wood-effect work surfaces and contrasting tiled splashbacks. Integrated cooking facilities and ample cupboard and worktop space create a smart, functional kitchen.

The kitchen also benefits from a useful pantry/storage area, with access leading out to the rear garden.

Outside, the property offers an enclosed rear garden with a combination of paved and raised patio areas, providing a pleasant space for outdoor seating and entertaining. There is also useful covered/alley-style external storage, ideal for bikes, bins and general household storage.

The first floor features three generously proportioned bedrooms, all presented in neutral décor. Two bedrooms benefit from newly fitted grey carpeting, while the accommodation offers excellent flexibility for families, couples, or those needing a home office.

The bathroom is another standout feature. Larger than typically expected in a terraced home, it includes a separate shower enclosure and full-size bath, alongside a pedestal wash basin and WC.

Overall, this is a spacious, well-presented home offering a strong combination of modern interiors, generous room sizes, and useful outside space.
