Description

This delightful link-detached family home occupies a generous plot on the ever-popular Woodlands Way estate, offering excellent transport links via the nearby dual carriageway, as well as easy access into Mildenhall Town. The property benefits from a recently installed Viessmann combi boiler (2022) and radiators replaced throughout (2020).

Upon entering the property you are greeted by a welcoming entrance hallway, providing space to remove coats and shoes, which opens directly into the spacious open plan lounge and dining room. The lounge, complete with feature fireplace, enjoys a large front-facing window, whilst patio doors in the dining room overlook the impressive rear garden and allow natural light to flood throughout the space.

The fully fitted kitchen is conveniently accessed from the entrance hallway and features an attractive archway leading through to the dining room, continuing the sense of openness throughout the ground floor. The well-appointed kitchen features a range of stylish soft-close wall and base units, complemented by a 1.5-bowl composite sink with drainer, a freestanding cooker and space for a dishwasher. An internal door provides access to the garage, offering additional space for appliances and useful storage. The ground floor also benefits from a convenient cloakroom comprising a WC and wash hand basin. An exterior door to the rear garden is located adjacent to the cloakroom.

Upstairs, the property includes three well-proportioned bedrooms, the primary of which features a built-in double wardrobe and large window to the front, whilst the second boasts ample space for a double bed and extra furniture, with a large window overlooking the rear. The third bedroom houses the recently installed Viessmann combi boiler which services the gas central heating system. There is a family bathroom which comprises bath, tiled to full height and with shower attachment, WC and hand wash basin, as well as towel heater. A loft hatch in the upstairs landing, complete with fitted ladder, provides access to the boarded loft space, further enhancing the storage available.

In addition to the main living accommodation, the property includes a well-maintained front garden plus garage, with modern electric door, and driveway, providing plentiful parking. The substantial rear garden is predominantly laid to lawn, with a tidy patio area, and is fully enclosed. Two timber sheds are included along with five handy water butts, providing excellent water storage for garden use. There is a side access gate to the front of the property.
