

Beech Mast
VIGO | DA13 0SX

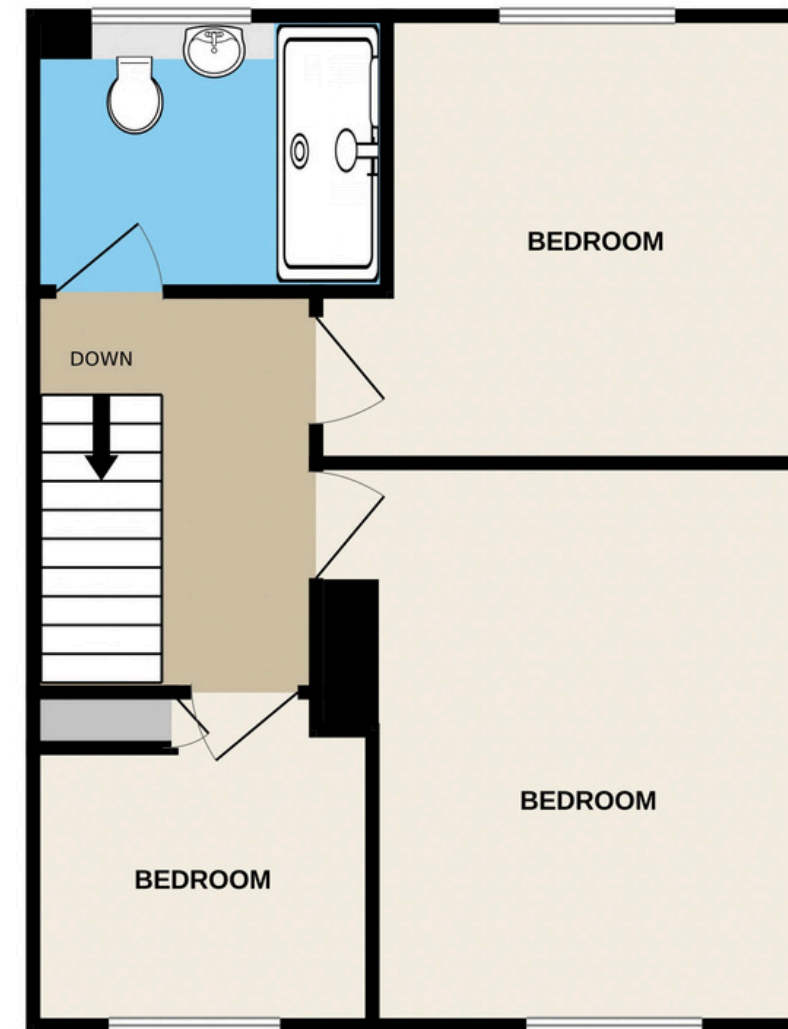

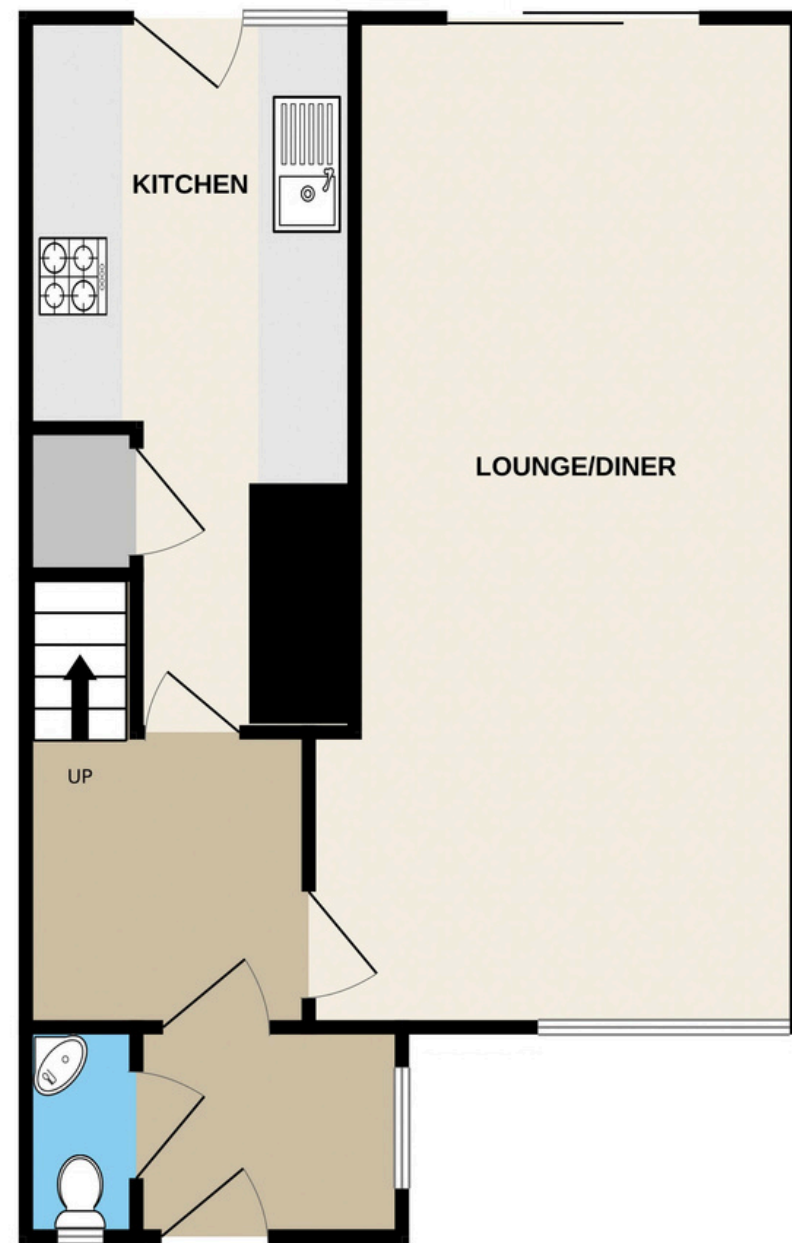

Introducing *Beech Mast*, a lovely cul-de-sac setting within the leafy village of Vigo, just South of Meopham and perched at the top of the North Downs.

It is here that we have a wonderful, much improved three bedroom home which is set back beautifully from the road, resulting in a superb rare position with zero passing traffic outside your front door.

The property has been thoughtfully extended to the front, creating a welcoming utility lobby complete with cloakroom facilities. From here, the spacious entrance hall opens into a 23ft open-plan lounge/dining room, a superb social space filled with natural light. A separate, modern fitted kitchen provides an additional hub, offering practicality and style in equal measure. Upstairs, the home continues to impress. There are two excellent double bedrooms plus a well-proportioned third single bedroom. The original bathroom has been completely remodelled and transformed into a stunning contemporary shower room, completing accommodation that spans almost 900 sq ft.

The location is sure to captivate anyone who values outdoor space and seeks a semi-rural lifestyle without ever feeling remote. Vigo is celebrated for offering the best of both worlds: tree-lined streets, over 100 acres of Trosley Country Park on your doorstep, and a peaceful, village atmosphere - all while enjoying immediate access to the M20, M26 and A2, numerous local schools, and nearby train stations at Borough Green and Meopham.
