DESCRIPTION

Situated in a desirable plot within the development, this spacious and well-presented detached home offers generous accommodation throughout, ample off-road parking, a private south-westerly facing rear garden and excellent potential for further extension and modernisation.

To the front of the property, a partially tarmac and gravelled driveway provides off-road parking for approximately four to five vehicles, along with access to the single garage. The driveway offers a practical and welcoming approach to the property, with the garage providing additional storage or parking space.

Upon entering through the front door, you are greeted by a welcoming entrance hallway, complete with a useful downstairs WC. From here, the accommodation flows through to a generously proportioned living room, which provides an ideal space for relaxing and entertaining. A large UPVC double-glazed window to the front allows plenty of natural light to fill the room, while the electric log burner creates an attractive focal point. Stairs rise to the first floor from the living room, with the layout continuing through to the separate dining room at the rear. The dining room offers a versatile space for family meals and social occasions, with sliding patio doors providing direct access to the rear garden and allowing the outside space to become an extension of the living accommodation during the warmer months.

Adjacent to the dining room is the modern, well-equipped kitchen, which benefits from a rear-facing window providing natural light. The kitchen leads through to a separate utility room, offering valuable additional space for laundry and household appliances. A door from the utility room provides convenient access to the rear garden, as well as internal access to the single garage. The garage benefits from power and an electric roller door.

Ascending to the first floor, the landing gives access to four generously proportioned bedrooms, each offering comfortable accommodation and flexibility for a growing family, visiting guests or those requiring space to work from home. The bedrooms enjoy pleasant views over the surrounding countryside, adding to the property's appeal and providing a lovely outlook.

Externally, the rear garden is a particularly attractive feature, offering a private and well-proportioned outdoor space with a south-westerly aspect. Predominantly laid to lawn, the garden provides plenty of room for outdoor dining, entertaining, family activities or simply relaxing in the sunshine. A garden shed provides useful additional storage, while the garden's orientation allows it to benefit from afternoon and evening sunlight.
