IF YOU LIVED HERE...

A thoughtfully finished interior gives the flat a calm, cohesive feel from the moment you arrive. The separate kitchen has been refurbished with deep blue cabinetry, pale worktops and white herringbone tiling, while the reception room has plenty of space for both lounging and dining. Here, warm wood-effect flooring is paired with a striking panelled feature wall, and large windows bring in plenty of daylight. The flat extends to around 672 square feet, excluding the balcony, with the layout arranged entirely across the second floor.

Both bedrooms sit beyond the main living space, with the larger featuring a beautifully detailed cloud-print feature wall and a soft, neutral palette. The second bedroom opens directly onto the south-east facing balcony, creating a lovely spot for a morning coffee or some fresh air. Completing the layout is a smart shower room, finished in large-format marble-effect tiling with a walk-in shower. Refurbished throughout and offered with a share of freehold, it's an easy home to settle into.

WHAT ELSE?

Highams Park Station provides Overground services towards Liverpool Street, while changing at Walthamstow Central brings the Victoria line within easy reach too.
Epping Forest is moments away for woodland walks and weekends outdoors, while closer to the centre of Highams Park you'll find local favourites including Stag & Lantern and Vino Tap, along with the shops and independents around the clock tower and railway crossing.
Families are well catered for too, with a good choice of well-regarded schools across Highams Park and the surrounding area.

A WORD FROM THE EXPERT...

"Around the corner from our E4 office are The Stag and Lantern and Vino Tap, known for their craft beers and natural wines. If you fancy a nice coffee pop into Biba & Wren Coffee Shop or pop over to Grace and Albert for anything gift or homeware related. My favourite local walk to where I live is through Epping Forest from Highams Park to Chingford Plains, ending at The Butlers Retreat.
If you fancy a bike ride The Lea Valley is expansive and offers plenty of different routes in and out of London. The area is the perfect halfway house, offering all the benefits of London but with the green space and community feel of a countryside village! I also love the variety of different architecture on offer throughout E4".
