A QUIRKY & VERSATILE 2/3 BEDROOM HOME WITH SEPARATE LOUNGE

Situated in the popular Peartree area of Stevenage, this beautifully presented and modern 2/3 bedroom home offers a wonderfully quirky and flexible layout, particularly suited to those looking for something a little different.

The property has been cleverly adapted to make excellent use of the available space. The main lounge has been relocated into the outbuilding, allowing the original ground-floor lounge within the house to be used as a third bedroom. Located just off this room is a small child's room, providing a lovely arrangement for parents with a young child who would benefit from sleeping close by.

Upstairs, there are two further bedrooms, while the conservatory adjoining the kitchen has been partially converted into a dedicated hair salon for current owners use. Already set up as a workspace, this could be particularly appealing to a hairdresser, beautician or similar professional looking for the convenience of working from home.

The outbuilding provides a comfortable and separate lounge area, creating an unusual but practical arrangement and freeing up valuable space within the main house.

Outside, there is a low-maintenance garden leading to the outbuilding, while to the front of the property there is driveway parking for one car.
