For Sale by Private Treaty

A great investment opportunity just off the town centre, a terraced 3 bedroomed 3 story property with integral garage and small rear courtyard.

36a has been under the same ownership since 1956 and is in need of refurbishment but has superb potential! Seldom do properties on Queen Street provide off street parking/a garage. A prime opportunity for an investor/trades person as a do'er upper and also a very good spot for the rental market.

The property is within walking distance of all amenities on offer in this popular university and coastal town. It is also convenient to some major employers such as the Bronglais Hospital.
