Bawden Way

Situated in a popular residential location is this well presented and much improved four bedroom family home. The accommodation comprises an entrance hall with a staircase to the first floor and a useful ground floor cloakroom. There is a light and airy dual aspect lounge with French doors leading directly onto the rear garden. The kitchen/diner is also a dual aspect room and has been re-fitted by the current owners. This comprises a range of base and wall units and incorporates a twin oven and induction hob and extractor hood as well as an integrated washing machine and space for a fridge freezer. Upstairs the master bedroom, which has fitted wardrobes, benefits from an ensuite shower room. There are three additional bedrooms. The current owners have partly removed the studwork wall between bedrooms three and four but they are prepared to reinstate this if a potential buyer so wishes. In addition there is also a re-fitted bathroom WC. To the side of the property there is a driveway and carport which provides parking for a minimum of two cars and gives access to a double length garage with light and power connected. The well tended rear garden commences with an L-shaped patio area with pergola. The garden is then laid principally to lawn with inset flower beds.

This property is perfectly situated just a short 1.5-mile walk to Chelmsford station, offering excellent transport links for commuters and exciting day trips for the whole family. Chelmsford, Essex offers an abundance of activities and attractions for families to enjoy.
