If you are looking for a spacious family home, this could be the one.
KHP County Homes are pleased to present to the market this 3/4 bedroom semi detached property, presented in very good decorative order.
The house offers so much, including a very large kitchen dining room, perfect for family meal times or entertaining that has bi fold doors opening onto a large area of decking. There are two reception rooms to the front, a family living room and play room/snug/bedroom 4.
Upstairs there are three bedrooms and a modern family bathroom.
For those who work from home there is a study which can be closed off at the end of the working day. Also, on the ground floor there is a utility room and a modern shower room.
