DESCRIPTION
Set within a generous and private plot in a sought-after location, this well-maintained detached family home offers versatile accommodation arranged over three floors, making it an appealing choice for those looking for space to adapt to their changing needs.

The accommodation is particularly flexible, with the lower ground floor offering an additional level of living space. Here, you'll find an office or potential fifth bedroom, a utility room and access to the integral double garage. Subject to the necessary planning consents, this level could also offer scope to create a self-contained annexe, making it an interesting option for those looking to accommodate an extended family member or create a separate space for guests.

The main ground floor provides a welcoming entrance hall, a comfortable living room, dining room and kitchen, while the first floor is home to four bedrooms, including one with en-suite facilities, together with a family bathroom and further W.C. The layout lends itself well to family life, with plenty of room for everyone to have their own space.

Outside, the generous plot offers a good degree of privacy and provides plenty of scope for enjoying the garden in the warmer months. The property's location is another real advantage, being within easy reach of local amenities and the everyday essentials, while offering the space and flexibility often sought after in a detached family home.
