This beautifully refurbished three-bedroom detached chalet bungalow is located just a short stroll from the centre of Cuffley village, offering easy access to local shops, the station, and the well-regarded village school. Lovingly updated over recent years and maintained to an excellent standard throughout, the home combines comfort, practicality, and a touch of character. Inside, the ground floor features a welcoming entrance hallway, a bright and spacious living room, a well-appointed kitchen with space for breakfast dining, a separate dining room ideal for entertaining, a generous master bedroom, and a modern family bathroom. Upstairs, there are two further bedrooms both benefiting from newly installed air conditioning units and a convenient WC. Outside, the property continues to impress with a powered outhouse that offers flexibility as a studio, home office or creative space. There's also a garage with an electric up-and-over door, side access, and ample off-street parking. The overall setting is peaceful yet well-connected, making this a superb opportunity for anyone looking to settle in one of Hertfordshire's most desirable villages.

Cuffley village offers lots of shopping facilities, doctors and dentist surgeries and the train station allows direct access to London Kings Cross and Moorgate stations via Finsbury Park. Leisure pursuits are well catered for with a tennis club and Northaw Great Woods for countryside walks. Local schooling is close by from nurseries to Cuffley primary school and excellent private and state secondary schools are within easy reach.
