A charming former coach house which has been sympathetically extended to create a beautiful family home. Tucked away at the head of a private driveway, the property enjoys a secluded position within the much-admired Cambridge Road – a leafy corner of Upper Clevedon.

The accommodation is both generous and versatile, perfectly designed for modern family living. On the ground floor, the home offers a welcoming entrance which opens to a superb kitchen at the heart of the house, complemented by an adjoining dining area and separate utility room. The two principal reception rooms include a cosy family room and a wonderful sitting room with feature fireplace, while a conservatory to the rear enjoys a glorious outlook over the gardens. Upstairs, the property provides four bedrooms, all of which are comfortable doubles, together with a family bathroom and master en-suite.

The gardens are a particular feature, with private areas to both the front and rear. To the front, a circular lawn is surrounded by mature borders and an established apple tree, creating a charming first impression. To the rear, the gardens have been landscaped with entertaining in mind, featuring patios, seating areas and low-maintenance planting. A substantial driveway provides off-road parking for several vehicles, further enhanced by a double carport and useful storage sheds.

Cambridge Road is one of Clevedon's most desirable addresses, ideally placed just a short walk from Ladye Bay, Clevedon Golf Club and the boutiques, bars and restaurants of Hill Road. Well-regarded primary and secondary schools are also within easy reach, making this a perfect setting for family buyers.

A sympathetically extended former coach house tucked away within secluded grounds on Cambridge Road, one of Upper Clevedon's most admired addresses.
