FLOORPLANS | MEASUREMENTS

Please note that the software used to calculate the measurements of a property only capture the Net Internal Area (NIA) not the Gross Internal Area (GIA) so the room sizes may appear smaller on the floorplan.
Please refer to the EPC for the GIA.

THE OPPORTUNITY
EX RENTAL | BASIC UPDATING

The property has been let for many years and would now benefit from basic updating but with scope for a fine home or investment with a private courtyard garden in this popular central location.
Please refer to the independent rental appraisal.

There is scope to rearrange and improve the layout - we would suggest interested parties consider a more compact kitchen area and moving the stud wall for the bedroom by taking some of the large bathroom footprint and increasing the size of the bedroom.

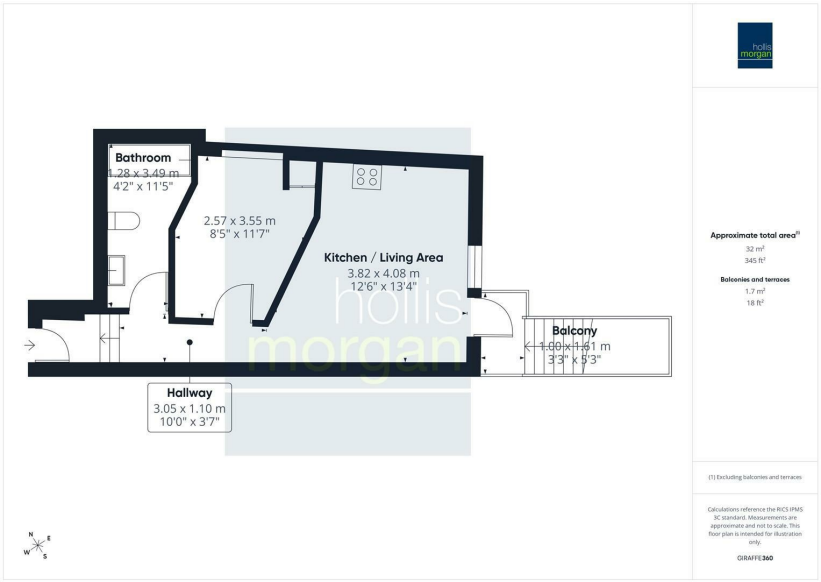

*All subject to gaining the necessary consents.

A cheaper alternative would be to put in a shower above the bath and install a new worktop in the kitchen and replace the cupboard under the sink.

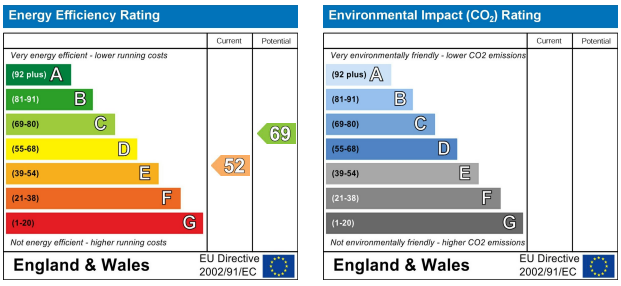

REDUCED PRICE FOR AUCTION

Previously listed with respected local agents at £170,000 and more recently £165,000 - now reduced guide price for sale by live online auction.
