

BEAUFORT GREEN

St Dionis Road, SW6

£1,650,000

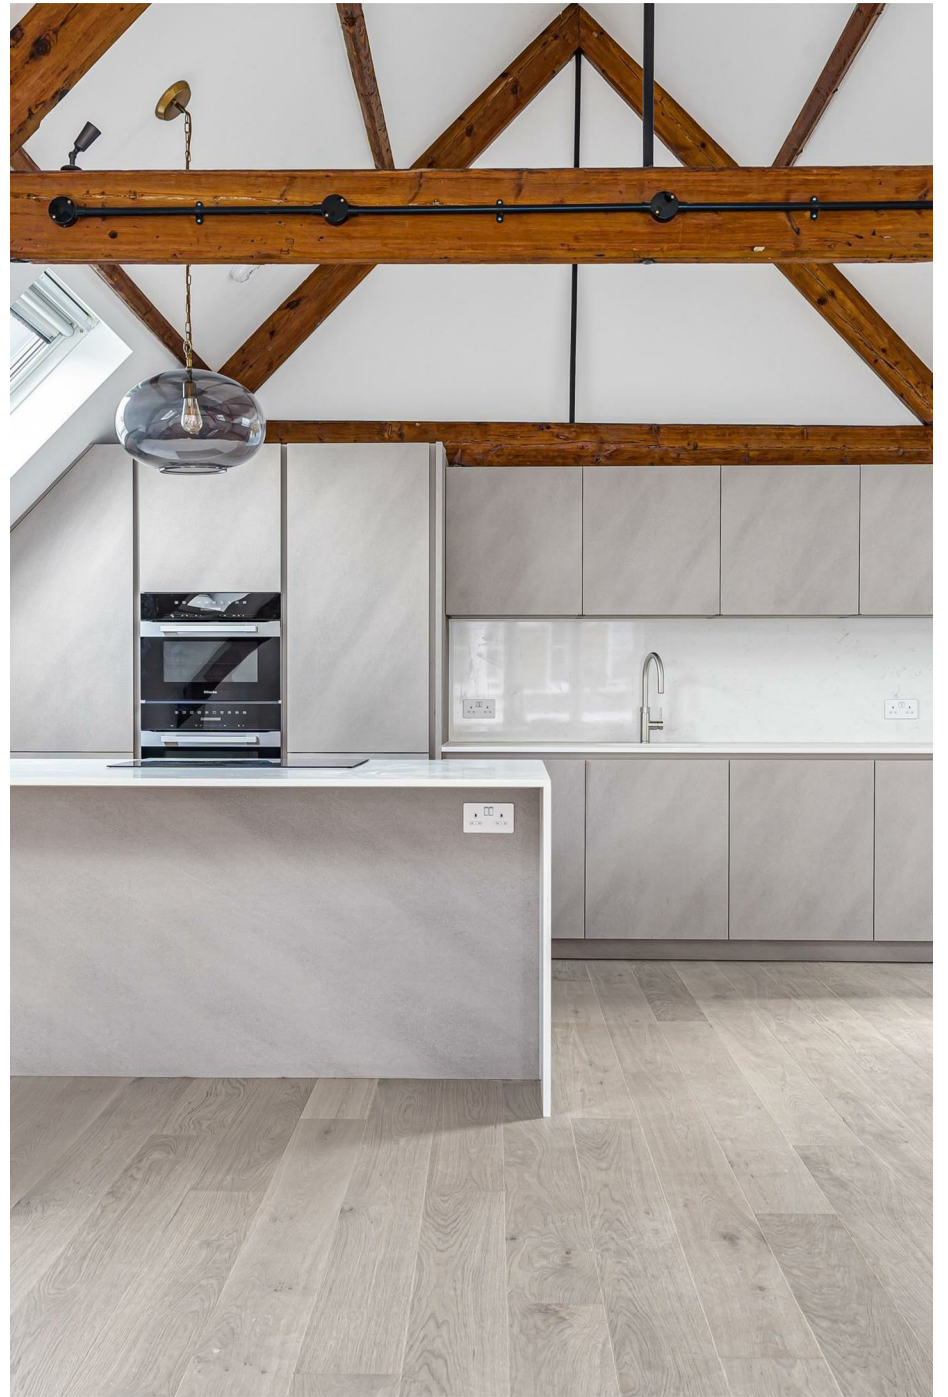

A former church, thoughtfully reimagined for modern living in the heart of Parsons Green. The Chapel retains the scale and character of its original architecture, balanced by calm interiors and a considered contemporary finish.

Natural light and generous proportions shape the home, with a spacious reception room, two well-sized bedrooms and two modern bathrooms. Details drawn from the building's past give the interiors a strong sense of identity, while the overall design remains refined, comfortable and easy to live in.

Set on St Dionis Road, the property is well placed for the independent cafés, restaurants and shops of Parsons Green, along with nearby green spaces and riverside walks. Excellent transport connections are within easy reach, while the surrounding streets retain the relaxed, residential feel that defines this part of London.

With its architectural history, beautifully considered interiors and central Parsons Green setting, The Chapel is a home that feels genuinely individual.
