A partial garage conversion provides a superb second bathroom with walk-in rain shower and a walk in storage room with lighting, power and access to a recently fitted Hive controlled combi-boiler.

The updated kitchen provides extensive worktop and storage space featuring deeper than average fitted units, under cupboard lighting, a wide induction hob, extractor fan, integrated freezer, built in oven and plentiful power points - some with USB. The kitchen leads into a breakfast room and features fitted units.

Upstairs are three double sized bedrooms, the main one being particularly large. There is a family bathroom with bath and shower, a large storage cupboard and a separate w.c.

There is a lawned garden to the front with fencing and flower beds and an enclosed south east facing rear garden which provides a low maintenance private outdoor space with patio, lawn, flower beds and storage sheds. A standout feature is the detached insulated double glazed garden room with electric supply and integral USB points that can be used all year round as a home office, or simply a place to relax or entertain.
