A characterful, two-bedroom, end-of-terrace, stone fronted cottage, right in the heart of The Lizard Village, refurbished by the current owners and beautifully presented throughout.

Situated right in the heart of Britain's most Southerly village, this is an excellent opportunity to purchase a beautifully presented and updated, former coastguard's cottage, which enjoys lovely distant coastal views towards Kynance Cove and Gwennap Head from the first floor.

The property is set back from the road by a small, paved front garden and iron railings. The front door opens into a modern, open-plan living space, with a stylish and contemporary fitted kitchen, dining area and lounge. There is a wood-burning stove at its heart and alcoves either-side of the chimney breast. The kitchen has an integrated electric oven with induction hob and extractor hood and an

integrated washing machine. There is space for a dishwasher and a free-standing fridge-freezer.

On the first floor there is a light landing, with a large storage cupboard, a modern shower room and two bedrooms, with the principal bedroom having a walk-in wardrobe and enjoying some lovely distant coastal views.

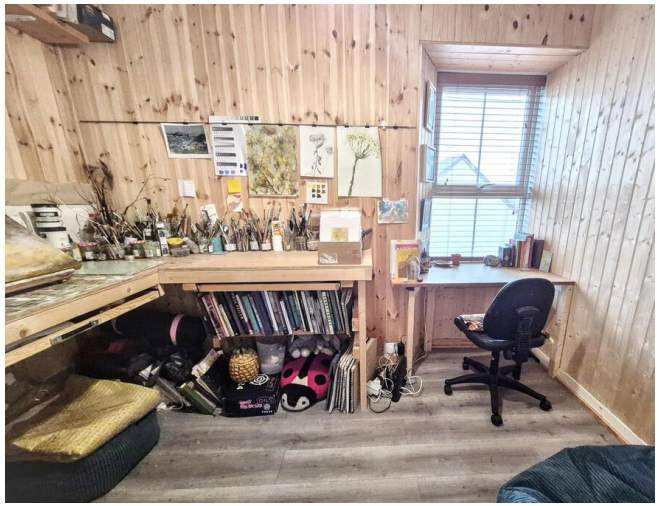

As part of the refurbishment, internal insulation has been added to the front exterior wall as well as to the floor under the lounge area, making this a much more comfortable and cosy cottage than you would traditionally find.
