Relax

PROPERTY DESCRIPTION

A home full of warmth and character, this immaculately presented family home has been lovingly restored and improved throughout the years, awaiting its next chapter.

This has been home for three generations within the same family, which is testament to the property that it is and you soon acknowledge why. Discretely positioned on Ridgeway Drive, The Ridgeways offers spacious and versatile living whilst being in a private setting that is not overlooked.

Leading down the quartz pathway to the picket fence, you are greeted by the landscaped gardens and the immediate charm of the house. Upon entering, you are met with a bright entrance hall that leads through to the kitchen/dining area with triple aspect to the right. The kitchen is very well equipped, with a large range cooker, high quality fitted kitchen units, space for appliances and a breakfast bar area, whilst benefitting from sky lights which flood the room with natural light. The dining area has doors leading out to the rear of the garden, and there is a utility room/boot room to the side of the kitchen/dining area that leads out to the garden.

Downstairs, you have a family shower room, a well proportioned and bright double bedroom with fitted wardrobes, a further bedroom that would benefit as a study, nursery or family games room, before leading to the welcoming and spacious lounge that has triple aspect over the gardens. There is a bay window, patio doors leading to the rear garden, and a beautiful Italian marble and oak fireplace.

Upstairs, there are two further large double bedrooms and a family bathroom, with storage in the eves.

Relax

PROPERTY DESCRIPTION

The property has been thoughtfully decorated in neutral colours throughout, making this a turn key opportunity that the next owners can easily add their personality to the property.

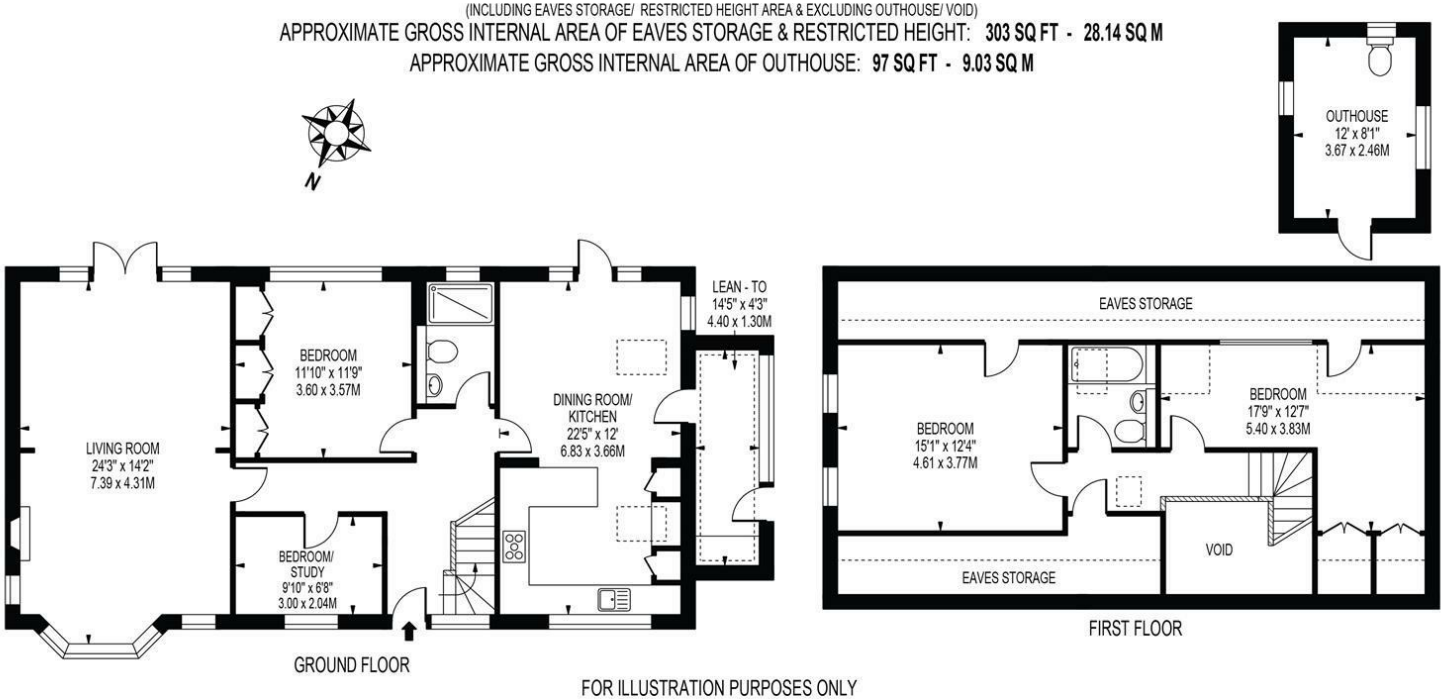

Outside, you have a beautifully landscaped wrap around and enclosed garden, with parts laid to lawn, decked and brick paved. The garden is particularly private thanks to the established trees and shrubs that have been planted, which include a cherry tree that blossoms a beautiful pink colour in the spring, acers turning colours in the autumn, and jasmine and honeysuckle, all that give this wonderful home a sense of sanctuary.

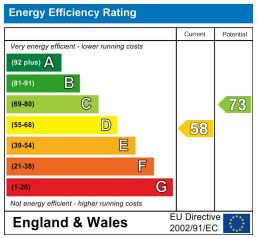

Ridgeway Drive is located a short walk from Dorking town centre which plays host to wide variety of amenities to suit all lifetsyles and stages of life. Dorking Tennis Club is located moments away, with easy access to Flint Hill that takes you swiftly to the A24 for wider travel. Dorking's mainline stations are within easy reach, providing access to London Victoria via Southern services, London Waterloo via South Western services and Gatwick Airport and Reading via Great Western services. Heathrow and Gatwick International Airports are both within easy reach by road, and West Sussex and the south coast can be reached within an hour.
