The internal accommodation commences with a welcoming entrance hall, featuring elegant built-in storage and a ground floor cloakroom. To the front, a comfortable lounge benefits from a bespoke media wall, while an adjoining spacious utility room provides convenient access to the outside. To the rear, the beautifully appointed kitchen/dining room forms the heart of the home, fitted with a range of stylish units, a central island and ample space for family dining. Bi-fold doors open directly onto the rear garden, creating a seamless connection between indoor and outdoor living.

The first-floor landing is particularly spacious and provides access to all rooms on this level. The generous principal suite comprises a spacious double bedroom leading through to a bright and well-proportioned dressing room, complemented by a contemporary en-suite shower room. Two further bedrooms are also located on this floor, alongside an impressive family bathroom fitted with a stylish four-piece suite.

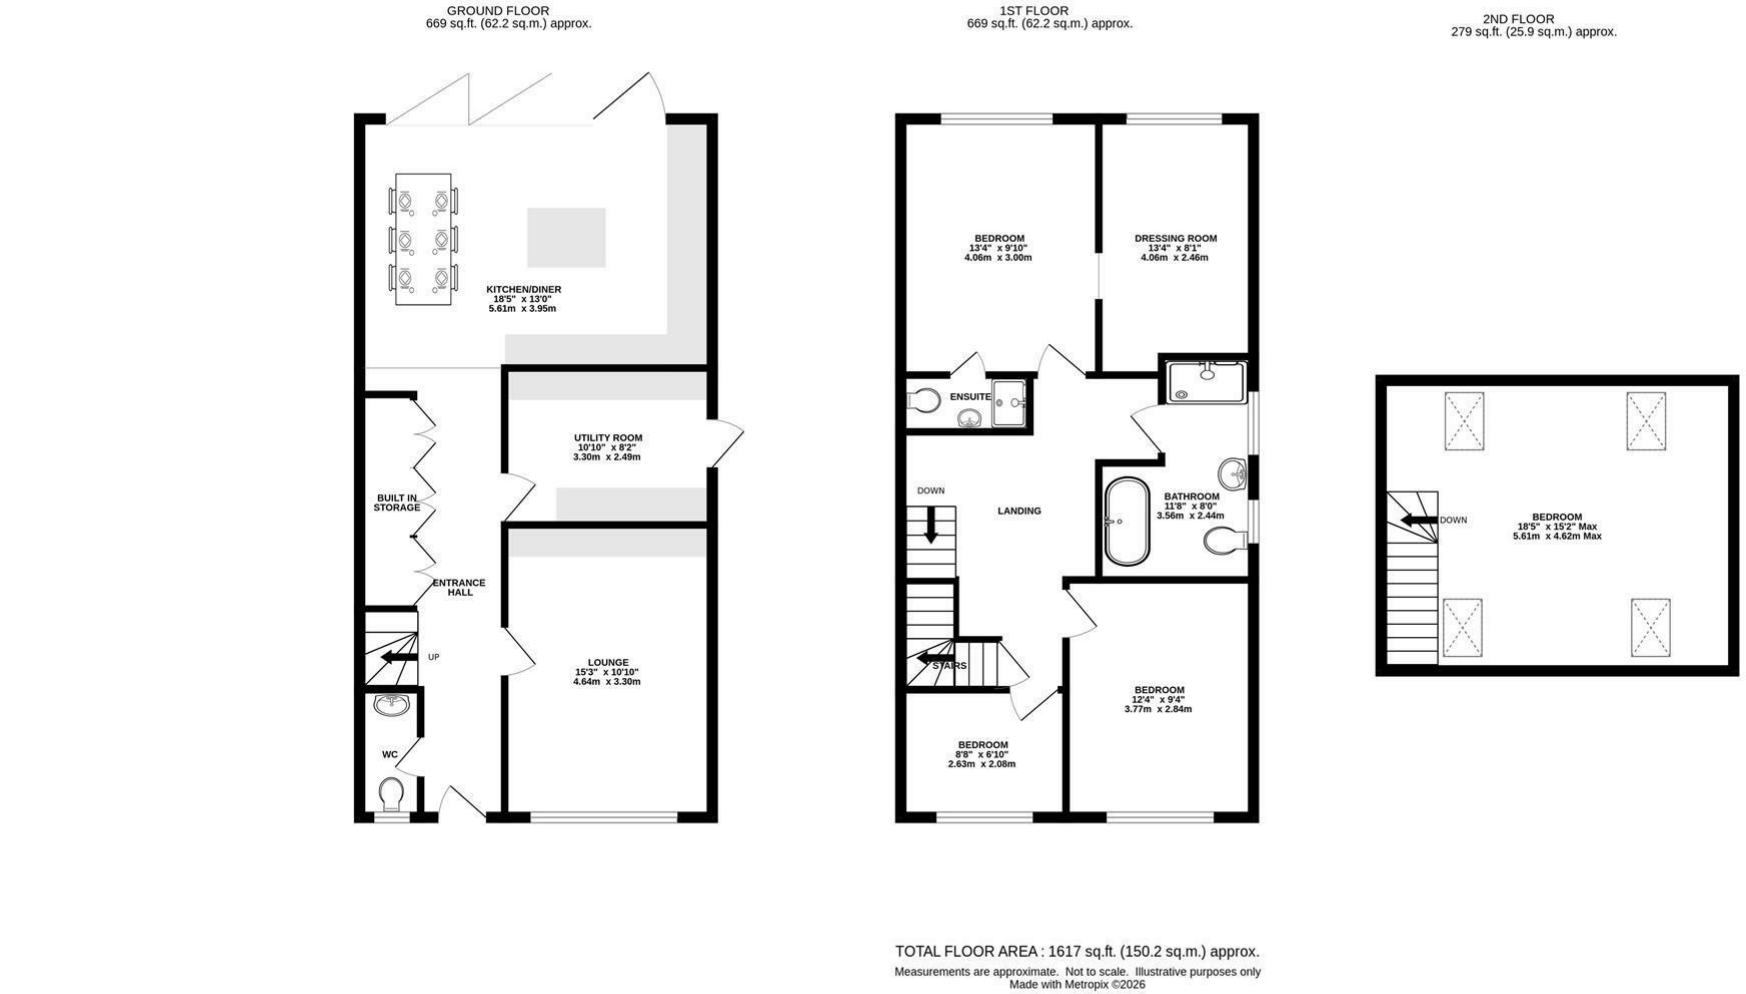

Occupying the second floor, a further generous bedroom is situated within the loft space. Velux windows allow natural light to flood the room, creating a bright and versatile space.

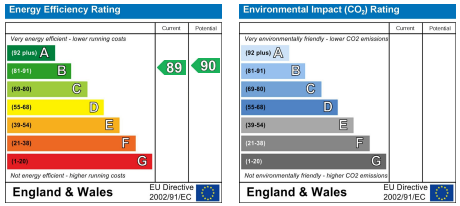

Externally, the south-west-facing rear garden commences with a paved patio, ideal for outdoor dining and entertaining, which leads down to a neatly maintained lawn. Its south-west orientation provides an excellent aspect for enjoying the afternoon and evening sunshine. The property also benefits from solar panels, offering the potential for improved energy efficiency. To the front, a block-paved driveway provides convenient off-street parking for two vehicles and benefits from an electric vehicle charging point.
