FLOORPLANS | MEASUREMENTS

Please note that the software used to calculate the measurements of a property only capture the Net Internal Area (NIA) not the Gross Internal Area (GIA) so the room sizes may appear smaller on the floorplan.
Please refer to the EPC for the GIA.

THE OPPORTUNITY

The property has been a much loved family home for many years but is now vacant and requires updating.
There is potential to rearrange the ground floor layout to create an open plan kitchen / diner living space opening onto the rear Westerly facing garden.

SURVEY | LEGAL PACK

Interested parties will be able to review a structural survey via the online legal pack.
We are aware of an historic issue with a collapsed drain that we understand has now been resolved.
However some remedial works will be required to the property to make good by the damage caused.
Please make your own investigations.
