This substantial four-bedroom property would make an ideal family home, offering generous and versatile accommodation having a loft conversion and an extension at the rear. Occupying a slightly raised position set back from the road with a garage at the front with electric door.

Externally, the rear garden is a particular standout feature being south-facing and measuring approximately 30 meters in length. Divided into three sections and designed with low maintenance in mind, with a giant gazebo providing shelter during the rainy months and hot tub (included). This is a great space for outdoor entertaining. To the very rear of the garden there is a spacious, insulated studio/cabin with shower room - perfect for those with hobbies, or who work from home or even a teenager's retreat!

Internally, the newly refreshed interior is ready for immediate occupation, finished in modern neutral tones. The extended living space is open plan with lots of natural light from the front and the rear. The well-equipped and practical kitchen comes with twin fitted ovens and leads through to the utility room and ground floor WC.

Upstairs there are three well-sized bedrooms and a family bathroom with bath and walk-in shower. The master bedroom can be found on the top floor and is the most spacious of the bedrooms with a large built-in wardrobe and overlooking the rear garden.
