The property is offered to the market with no onward chain and benefits from a thoughtfully designed rear and side return kitchen/dining extension, together with a convenient cloakroom. The windows have been replaced throughout with hardwood double glazed sash windows, designed in keeping with the conservation requirements.
Internally, the ground floor offers two well proportioned reception rooms, each featuring a fireplace and original wooden flooring. There are three bedrooms on the first floor, along with a family bathroom incorporating a separate shower. The professionally tanked basement, completed by Surrey Basements, provides valuable additional accommodation and could be used as a habitable space or fourth bedroom. To the rear, the thoughtfully designed extension creates a versatile kitchen/dining space with doors opening directly onto the peaceful, fully enclosed garden. There is also scope for further alteration and enlargement of the kitchen area, offering an exciting opportunity for the new owner to tailor the space to their requirements.
