A small staircase leads an extraordinary top-floor suite complete with two dressing rooms and a bathroom with his-and-hers wash basins. This space offers endless possibilities with planning permission already been granted for a dormer (Ref: 26/00022/HOUSE), further enhancing its potential.

Outside, the beautifully maintained rear garden is predominantly laid to lawn with attractive decking leading to a second garage/workshop with an electric up-and-over door, while the integral garage to the front and expansive driveway provides parking for numerous vehicles. A truly unique addition is the parcel of land directly opposite the property, extending towards the River Blackwater, allowing you to own a piece of this remarkable waterfront setting.

Rarely does a home combine such exceptional versatility and truly captivating views, making this one of Mayland's most exclusive lifestyle opportunities.
