Property Description

This substantial four bedroom home offers a generous and flexible layout across three floors, providing over 1,100 sq.ft. of internal space. The property sits on a sizeable plot with a long rear garden, a detached garage and off-street parking behind a gated frontage, giving it strong practical appeal in a popular BS3 location.

Inside, the ground floor includes a full-width living room, a separate kitchen with direct access to the garden, and a bathroom with a separate WC. The rooms benefit from large windows, multiple radiators and good natural light, with many original features still in place. The first floor provides three well-proportioned bedrooms, while the second floor is occupied by a spacious top-floor bedroom with eaves storage and a skylight.

The rear garden is a standout feature, offering a wide lawn, established boundaries and access to the detached garage. The frontage provides additional outdoor space and gated access to the driveway. The overall footprint and layout give the property strong potential for buyers looking to create a long-term home in a convenient Bedminster setting close to shops, schools and transport links.
