7 Elms Road, Leicester, Leicestershire LE2 3JE

£850 Per calendar month

Stoneygate Elms has been thoughtfully designed; traditional high ceilings and sash windows are just some of the original features that combine wood finish floors and light airy contemporary interiors. Professionally landscaped gardens and courtyards are integral to the development, bringing tranquillity and peace to the living environment

Each of the interiors is finished to the highest of specifications - contemporary high gloss kitchens with stainless steel fittings and the latest Siemens electricals. Bathrooms are fitted with modern white and stainless steel fittings with thermostatic chrome mixer showers as standard. Attention to detail throughout the apartments and houses is regarded as paramount, skirtings are deep and together with the architraves and the cornices all reflect the history of the building.
