bedrooms, a rarity in today's market. The principal bedroom benefits from an en-suite shower room, whilst the remaining bedrooms are served by a family bathroom.

Whilst the property has been lovingly maintained, it also presents purchasers with an excellent opportunity to modernise and personalise over time, creating a truly exceptional long-term family home in this highly desirable Suffolk village.

Outside

Outside, the property is surrounded by mature wrap around gardens, providing an attractive and private setting with ample space for families, keen gardeners or simply relaxing and enjoying the outdoors. A double garage and private driveway complete this delightful home.

The Location

Few Suffolk villages enjoy the reputation of Snape.

Best known for the internationally renowned Snape Maltings Concert Hall, the village offers a wonderful balance of countryside, coastline and community. There is an excellent village shop, public house, primary school and a thriving calendar of local events, whilst the beautiful River Alde and surrounding countryside provide endless opportunities for walking, cycling and wildlife watching.

The Heritage Coast is within easy reach, with Aldeburgh, Thorpe-ness, Orford, Southwold and RSPB Minsmere all readily accessible. The market town of Saxmundham provides a wider range of shopping facilities together with rail links to Ipswich and London Liverpool Street via connecting services.

Drury Park has long been regarded as one of the village's most desirable residential locations, where homes are seldom available for long.
