The Property

Built in 2020, this impressive Warwick Lifestyle home offers a refreshing alternative to a traditional three-bedroom layout, with the space instead used to create two exceptionally generous bedroom suites and beautifully balanced accommodation throughout.

The ground floor features a spacious living room alongside an impressive open-plan kitchen and dining room. A full wall of windows allows natural light to flood the space, creating a bright and sociable setting for everyday living and entertaining.

Upstairs, both bedrooms are substantial doubles and benefit from their own private en-suite facilities. The principal suite is particularly impressive, incorporating a walk-in wardrobe and a generous en-suite bathroom complete with both a bath and separate double shower.

The thoughtful layout makes this an excellent home for couples, smaller families or those wanting a particularly comfortable guest bedroom without compromising on living space.

The property forms part of Blaise Park in Milton, a modern development surrounded by Oxfordshire countryside and conveniently positioned for access to Didcot.
