

38 Cedar Grove

Gillingham, ME7 3QT

£450,000

A superb family home which has been considerably extended to provide spacious and high quality accommodation throughout. Downstairs boasts a practical sized lounge leading through to a stunning fitted kitchen/diner, offering ample space to host family and friends alike. The adjoining utility room is again generous in size and provides a shower cubicle and WC, ideal for busy households. Upstairs offers a modern and sleek bathroom, two double bedrooms and a third single.

The tiered rear garden has transformed a formerly sloping plot into usable, multi-level zones by building retaining walls and steps. This has maximised space, prevented soil erosion, and created distinct low maintenance areas including a high quality patio for entertaining, play area and secluded seating nooks. This fine garden also enjoys a sunny, westerly aspect, adding to the appeal.

The location is particularly appealing, set within a sought after residential road and within easy reach of local amenities including a quant coffee shop, co-op, transport links and Hempstead's popular shopping facilities. Hempstead infant and junior schools are also situated within a short walk.

A lovely semi detached property, must be viewed!
