DESCRIPTION

Built by David Wilson Homes to their popular Holden design, this attractive detached property offers four double bedrooms, well-planned family accommodation and a private landscaped garden. Tucked away within the development, it enjoys a quieter position with the added reassurance of a setting that feels well suited to family life. With over nine years remaining on the NHBC warranty, owned solar panels and an EV charger, it combines the reassurance of a relatively new home with the benefits of a property that has been thoughtfully made your own.

The ground floor provides a welcoming entrance hall, a spacious front-facing lounge with bay window and a second reception room, currently used as a home office but equally suited to a playroom or additional family space. At the heart of the house is the open-plan kitchen/diner, a bright and sociable space with integrated fridge/freezer and dishwasher, together with a cooker and five-ring gas hob. French doors open directly onto the patio and garden, creating a natural extension of the living space and a lovely setting for family meals, entertaining or simply enjoying the outdoors. A separate utility room, ground floor WC and ample storage help keep the practicalities of family life nicely organised.

Upstairs, the bright galleried landing leads to four double bedrooms, including a main bedroom with fitted wardrobes and an en-suite shower room. The remaining bedrooms offer plenty of flexibility for children, guests or further home-working space. The family bathroom is fitted with a separate bath and shower, adding to the practicality of the accommodation.

Outside, the private landscaped garden provides an attractive setting for relaxing and entertaining, with established shrubs, a lawned area and patio. The property also benefits from a driveway providing parking for two vehicles, together with a garage.

Since purchasing the property, the current owners have added blinds, carpets and flooring, light fittings, fitted wardrobes to the main bedroom and landscaped the garden, creating a home that feels both comfortable and well cared for. The owned solar panels and EV charger further enhance its appeal, making this a particularly well-equipped choice for buyers looking for a modern family home in Whitchurch.
