Swallowhurst Close presents a rare opportunity to purchase a completely transformed home, finished from top to bottom and ready for its next owners. With no onward chain and the potential to be home for Christmas, this is one opportunity not to overlook.

Having undergone an extensive programme of renovation and improvement, this is a home where the hard work has already been done. Offered to the market with no onward chain, this is an exciting opportunity for buyers looking for a home that combines modern living, generous space and the convenience of being ready for its next chapter.

The transformation begins before you even step through the brand-new front door. The exterior has been freshly painted and complemented by a newly finished driveway, creating an attractive and welcoming first impression.

Step inside and the attention to detail continues. The current owners have undertaken a comprehensive renovation, investing in both the essential infrastructure and the overall presentation of the property.

The improvements include a complete electrical and plumbing upgrade, a brand-new boiler and full replastering throughout, providing a fantastic foundation for modern living. New windows and glazing have been installed, while new flooring and carpets throughout complete the fresh and cohesive finish.

The living accommodation has also been thoughtfully reimagined, with a stylish contemporary media wall creating an attractive focal point and adding to the overall modern feel.

This is a property that has been approached with considerable care, with the intention of creating a home that is as practical as it is visually appealing.

At the centre of this transformation is the impressive newly fitted kitchen, with the benefit of an extended double kitchen area, creating a wonderful space for everyday living and entertaining.

Offering a generous and versatile environment, this is somewhere to enjoy everything from busy weekday mornings to relaxed evenings with family and friends. The additional space provides flexibility for modern lifestyles, allowing the kitchen to become much more than simply a place to cook.

The dining room is equally inviting, enhanced by newly installed French doors which open directly onto the rear garden. Allowing natural light to flow into the room, these doors create a lovely connection between the inside and outside, particularly during the warmer months when entertaining can naturally extend into the garden.

The combination of the newly fitted kitchen, extended living space and contemporary finishes creates a home that feels fresh, welcoming and ready to enjoy.

Offering three bedrooms and brand new bathroom and a clockroom, the property provides flexible accommodation suited to a variety of buyers, whether you are a first-time purchaser, a growing family, a professional couple or simply looking for somewhere with more space.

The integral garage is another valuable addition, providing useful storage and everyday practicality, while the newly finished driveway offers convenient off-road parking.

Every element of the renovation has contributed towards creating a home that is ready to welcome its next owners, without the disruption, expense or uncertainty of taking on a major refurbishment project.
There is something particularly appealing about finding a property where the vision has already been brought to life. No building work to organise, no major renovation decisions to make and no waiting for tradespeople. The significant improvements have already been completed, leaving the next owners to enjoy the exciting part… Moving in, unpacking and making the space your own!
