Situated in the popular 'Birds' area of Bedford...

This four-bedroom beautifully presented family home is situated in the highly sought-after 'Birds' area of Bedford, which lies close to Bedford Park and is a short trip away from the town centre.

The ground floor features a welcoming entrance hall leading to a spacious living room with a feature fireplace. To the rear, a modern kitchen/dining area provides plenty of workspace and storage and enjoys views over the lovely rear garden. The principal family bathroom is located on this floor and features a bath with a shower over.

In 2025, a thoughtful extension saw the addition of a stylish ground floor bedroom complete with skylights, patio doors opening onto the garden, and an en suite shower room - ideal for multigenerational living, guests, or flexible family use.

Upstairs, there are two good-sized double bedrooms and a further single bedroom. There is also a practical shower room. A planning application (Ref: 24/01423/FUL) has been approved for those wishing to add a further family bathroom upstairs.

Outside, there is off-road parking to the front and a garage fitted with an electric door which leads through to a carport. The rear garden is a lovely low maintenance space comprising patio, artificial lawn, and a raised border with a range of shrubs and plants. There is also a useful shed providing storage.

The Buntings connects Merlin Gardens with Fulmar Road and is conveniently located within walking distance of local amenities, including shops on both Brickhill and Avon Drive. It is well-located to take advantage of excellent schooling, both private and state, and is a short drive from Bedford's town centre which offers a wide range of shopping and recreational opportunities. Bedford's mainline station offers fast and frequent services to the capital and beyond.
