A door to the left leads into the spacious lounge, which extends from the front to the rear of the property, creating a generous reception space for both relaxing and entertaining. Dual-aspect windows overlook the front and rear, allowing natural light to flow throughout the room and enhancing its inviting atmosphere. Returning to the hallway, a door straight ahead provides access to the convenient downstairs WC, while an opening to the right leads into the impressive kitchen diner. Generously proportioned and designed with family life in mind, this space features a contemporary fitted kitchen with a range of integrated appliances and a breakfast bar, alongside ample room for a family dining table. A front-facing window brings in natural light, while glazed double doors open directly onto the rear garden, creating a natural connection between indoor dining and outdoor living. The vinyl plank flooring complements the modern finish, while a separate utility room, accessed from the rear left corner, provides additional functionality with integrated appliances and a rear-facing window, keeping household tasks neatly tucked away from the main living space.

Ascending to the first floor, the landing provides access to three well-proportioned bedrooms and the family bathroom, with an integrated storage cupboard conveniently positioned beside the bathroom. The master bedroom enjoys a pleasant outlook over the rear garden through a large window and benefits from its own three-piece en-suite bathroom, complete with a walk-in shower. This private addition enhances the comfort and practicality of the principal bedroom. Bedroom two is positioned to the front of the property, while bedroom three overlooks the rear garden, with both rooms offering flexibility to accommodate children's bedrooms, guest accommodation or a dedicated home office. Completing the floor is the three-piece family bathroom, fitted with an overhead shower and tiled flooring to provide a practical, easy-to-maintain finish.

Externally, the property benefits from a tarmacked driveway extending along the side of the home, providing off-road parking for up to two vehicles. A mature hedge spans the front boundary, offering a degree of privacy and an attractive green outlook, while a neatly arranged lawned area and flagged pathway create a welcoming approach to the entrance. A gated access point leads through to the rear garden, where a generous lawn provides an excellent setting for family activities, outdoor entertaining and enjoying the warmer months. A flagged pathway runs across the rear of the property, complemented by a planted border along the left-hand side, adding colour and interest to the outdoor space. Continuing alongside the border, a further flagged path leads to a dedicated seating area in the rear corner, providing a peaceful spot for morning coffee or evening relaxation. Beautifully presented and thoughtfully designed, this modern detached home combines quality finishes with versatile accommodation and appealing outdoor space. With its spacious kitchen diner, separate utility room, master en-suite and parking for two vehicles, it presents a superb opportunity for families seeking a stylish, ready-to-enjoy home in the well-connected area of Bamber Bridge.
