Guide price £90,000

Situated at the end of Manor Road in Dawley, this parcel of land is being offered for sale by way of the Modern Method of Auction.

The land previously benefited from planning consent, although this has now expired and the site does not currently have planning permission. Any prospective purchaser should therefore make their own enquiries with the relevant planning authority regarding the potential for future development.

Historic plans were drawn up some years ago for the construction of four two-bedroom apartments, with associated parking to the front and side of the site. These plans are included for information purposes only and should not be relied upon as current planning consent.

The site offers an interesting opportunity for developers, investors or private purchasers looking to explore the potential of the land, subject to obtaining all necessary planning permissions and consents.

This property is for sale by Modern Method of Auction allowing the buyer and seller to complete within a 56 Day Reservation Period. Interested parties' personal data will be shared with the Auctioneer (iamsold Ltd).
