

The Cherry Apartments

Charlotte Way | Leybourne Chase | ME19 5FA

Built by Taylor Wimpey in 2016, The Cherry Apartments sit right at the heart of Leybourne Chase - a community where everything you need is within easy reach and daily life feels wonderfully convenient.

Set to one end of the building and positioned on the top floor, this beautifully designed home offers a genuine sense of privacy, free from immediate neighbours - a rare advantage that sets it apart from other apartments in the development. At approximately 764 square feet, it is also one of the largest layouts available.

The private entrance hall is surprisingly spacious, as are the two very handy built in large storage cupboards. Both bedrooms are superb doubles, with the master room benefitting from it's own en-suite, plus there is a guest bathroom which has been thoughtfully upgraded. The standout feature is the West facing open-plan living space, where the kitchen, dining and lounge areas flow together effortlessly. Distinct window placement naturally defines each zone, and from the Juliet balcony you can unwind and enjoy beautiful sunsets across the development.

The development itself offers so much: a trim trail, park land and football fields, a community centre, a village shop and the ever popular Average Doughs Bakery at the sports pavilion. Families benefit from Pippins Pre-School and Valley Invicta Primary School, and with West Malling's vibrant high street and mainline station just minutes away, it's easy to see why people fall in love with this location.
