DESCRIPTION

A very rare opportunity to purchase a three bedroom detached true bungalow on a sizeable plot with canal views to the rear and benefitting from lapsed planning permission for a detached dwelling on the plot to the side (Cheshire East planning ref 16/1409C).

The bungalow benefits from a fantastic location in Church Lawton, with the Macclesfield Canal to the rear and field views, whilst the rear garden has been well maintained which is an idyllic setting to relax! The property benefits from well-proportioned and well presented accommodation throughout, offering great potential throughout!

An entrance porch leads to bedroom three, breakfast kitchen and lounge with access to the generous conservatory. An inner hallway then gives access to the four piece family bathroom, second double bedroom and the principal bedroom having its own dressing room, giving access to a laundry/utility room with handy separate WC.

Ample off-road parking is provided via a driveway and detached garage, whilst the rear garden is mainly paved with stunning views of the canal, with a mature lawned side garden offering the scope for development (subject to planning permission).

Situated on Congleton Road North in Church Lawton, the bungalow is perfectly placed for commuting routes such as the M6 and A500, whilst retaining excellent links to the wealth of amenities within Alsager, Congleton and beyond. A number of walks are available within the surrounding countryside and Lawton Woods, which is quite literally opposite the property!
