## **Description**

Rarely do properties offer two such distinct and significant parts. Located in the popular, quaint Village of Fulking, within the rolling hills of the South Downs National Park.

Firstly, a charming Semi-Detached family home, neatly tucked behind privacy hedging. In a country cottage style with private front, side and rear gardens. From top to bottom, the property boasts three good-sized double bedrooms, a white modern tiled family bathroom suite, complementing the white matching sanitary ware. Plentiful loft space, which houses the inverter for the solar panels.

Downstairs, a recently renovated kitchen has a vibrant blue splashback separating high & low storage on either side, whilst the cosy lounge to the front features a tranquil view over the front garden and is a joy when everything is in bloom. The large glazed conservatory to the rear seamlessly connects the inside to outside and could be used as a dedicated dining space or further reception.

The second part of this unique property is the land at the rear, measuring approximately 3.7 acres, is accessed either from the rear of the property or by a five-bar gate further down Clappers Lane and is currently home to a friendly herd of Alpacas! There are multiple timber outbuildings including a bar that has been made, allowing you to enjoy the peaceful surroundings!

In our opinion, an early viewing is essential should you be looking to combine both a family home and the equestrian aspects of a property.
