

Boscobel Road

Cheswick Green

Offers Around £225,000

Description

Cheswick Green was originally developed in the 1970's as a self contained 'modern village' in the countryside, and it has lived up to it's original design brief from the outset. It benefits from its own small parade of shops, doctors surgery, community centre, children's play area, village pub and central village green. As with all villages, there is a community nursery, junior and infant school. Local bus services act as a school service for children going to the senior schooling in Solihull, for which we are advised that Alderbrook is the catchment school for this area. Education facilities are subject to confirmation from the Education Department.

There is easy access by road via the A34 Stratford Road to the M42 motorway, and a short journey down it will bring you to the National Exhibition Centre and Birmingham International Airport and Railway Station.

The main shopping area for the property is on the A34 Stratford Road in Shirley, where there is an excellent array of shops, business premises, restaurants and hostelries, or in central Solihull which has in recent years undergone re-development with the Touchwood Development, a modern and vibrant heart to the old town.

An ideal location therefore for this ground floor maisonette which enjoys a prime location on the edge of the villager. The property benefits from an extended lease, single garage en bloc and a private rear garden and really does need to be viewed to be appreciated.
