DESCRIPTION

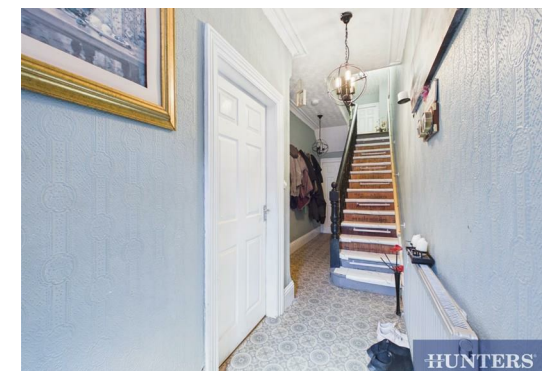

Situated on the popular Windsor Crescent in the heart of Bridlington, this substantial six-bedroom mid-terrace property offers an abundance of space across four floors, making it an ideal family home. Perfectly positioned just a short walk from the South Beach, harbour, town centre and a fantastic range of amenities including supermarkets, shops and the train station, this property combines coastal living with everyday convenience.

Stepping into the property through the entrance hallway, you are welcomed into the spacious bay-fronted lounge located at the front of the home, filled with natural light and offering a comfortable living space. Then into the dining room, providing ample room for a family dining table and ideal for entertaining guests. To the rear is the modern gloss white kitchen featuring integrated appliances and access out to the rear garden. Completing the ground floor is a generously sized bathroom fitted with a four-piece suite.

To the first floor are three well-proportioned double bedrooms, including the large main bedroom positioned at the front of the property. Also on this floor is a stylish modern shower room with walk-in shower. The second floor continues to impress with a further three double bedrooms, all excellent sizes, alongside a separate W/C for added convenience. Occupying the top floor is a versatile loft room, perfect for use as a hobby room, home office or additional storage space.

Externally, the property benefits from a good-sized rear yard providing outdoor space to enjoy and low-maintenance living.

Windsor Crescent is a highly convenient location within Bridlington, popular for its close proximity to the seafront and local amenities. Bridlington itself is a vibrant East Yorkshire coastal town known for its sandy beaches, bustling harbour, independent shops and excellent transport links. Schedule a viewing today!

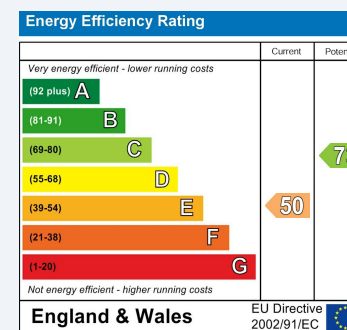

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.
