The property is ideal for a young family, and has just undergone a refurbishment programme ready for a new tenant to move in and make it their home. In brief, it comprises; Entrance, living room, dining room, country style kitchen and a ground floor bathroom. To the first floor are two double bedrooms. The front is a lengthy garden setting the home back from the road, whilst the rear is a low maintenance courtyard.

Properties don't come up to rent in this spot too often, so please call our friendly Rainford team now to book an early, essential viewing!
